

STUDENT CONSENT FOR COLLECTION AND USE OF PERSONAL DATA

This consent form is provided in accordance with the **Digital Personal Data Protection Act, 2023 (DPDP Act)**.

By enrolling in the course offered by KS Academy the student agrees to the collection and processing of personal data for academic, administrative, communication, and promotional purposes as described below.

1. Collection of Personal Data

The Institute may collect and process the following personal information from the student:

- Personal details (Name, Date of Birth, Address, Photograph, etc.)
- Contact details (Phone Number, Email ID, WhatsApp Number)
- Academic details (Educational qualifications, marks, and related records)
- ICAI course registration details
- ICAI examination enrollment details
- Payment and transaction details related to course fees

This information may be collected through admission forms, online portals, learning platforms, communication tools, or other digital systems used by the Institute.

2. Purpose of Data Collection

The student's personal data will be used for the following purposes:

- Course registration and student administration
- Communication regarding classes, schedules, examinations, and academic updates
- Maintaining academic records and performance tracking
- Managing online class platforms and student databases
- Compliance with regulatory or academic requirements

3. Class Recordings and Educational Use

The Institute may record online or offline classes for academic and educational purposes.

These recordings may include student participation such as:

- Voice

- Video appearance
- Questions or discussions during the class

The student hereby consents to the Institute using such recordings for:

- Academic reference for students
- Uploading lectures on educational platforms such as **YouTube**
- Sharing selected portions for educational awareness or learning support

4. Promotional and Marketing Use

The student agrees that the Institute may use certain content for promotional and marketing purposes, including:

- Short clips or segments from class recordings
- Educational videos featuring classroom sessions
- Promotional posts on social media platforms such as **YouTube** and **Instagram**

These materials may be used to showcase teaching methods, classroom environment, and student engagement.

5. Publication of Results and Achievements

In the event that the student successfully clears examinations, secures **All India Rank (AIR)**, or achieves notable academic results, the Institute may publish:

- Student name
- Photograph or video
- Examination result or rank
- Testimonials or success stories

Such content may be used for:

- Institute website
- Social media platforms
- Marketing and promotional materials
- Educational awareness campaigns

6. Data Protection

The Institute will take reasonable security measures to protect student data from unauthorized access, misuse, or disclosure. Access to student data will be limited to authorized personnel for legitimate academic or administrative purposes.

7. Student Rights

Under applicable data protection laws, students have the right to:

- Request access to their personal data

- Request correction of inaccurate information
- Withdraw consent for certain uses where applicable
- Request deletion of personal data subject to academic or legal requirements

Such requests may be submitted to the Institute administration.

8. Consent Declaration

I hereby confirm that:

- I have read and understood the above terms regarding the collection and use of my personal data.
- I voluntarily consent to the Institute collecting, storing, processing, and using my personal data for the purposes described above.
